

RIDGEWELL C of E PRIMARY SCHOOL

SPORT PREMIUM EXPENDITURE 2018/19

OBJECTIVES IN SPENDING THE SPORT PREMIUM GRANT

- The money should be used so that the school would expect to see improvement across:
- The engagement of ALL pupils in regular physical activity (kick starting healthy, active lifestyles) (1)
 - The profile of PE and sport is raised across the school as a tool for whole-school improvement (2)
 - The increased confidence, knowledge and skills of all staff in teaching PE and sport (3)
 - A broader experience of a range of sports and activities offered to all pupils (4)
 - Increased participation in competitive sport (5)

2018/19 SWIMMING – 93% of Year 6 children achieved the National Curriculum requirements for swimming and water safety.

Sports initiatives	Impact	Sustainability
Payment of PE specialist to increase participation in ‘School Games’ scheme, raise the profile of PE and sport for whole school improvement and provide a wide range of sports and activities to all pupils. (1,2,3,4,5) Develop Health Ambassador Lead Role including the upskilling and training of staff to deliver The Children’s Health Project. (1,3) (£7984)	Ensuring high quality PE provision across the whole school including new sports and activities being introduced to encourage more pupils to take up sport. Liaison with other CVC schools to promote inter-school competition. Whole school events to benefit every child and increase activity. After school-based activities introduced to involve “less active” children To further develop our participation in schemes including the Active Essex KS1 award, School Games quality mark (we are now a GOLD school), Healthy Schools Essex (We have completed a three year plan to achieve Enhanced Status), the Livewell Child Project and The Children’s health project. PE Specialist to liaise with all staff and offer relevant CPD opportunities.	New sporting initiatives introduced annually. Continuing CVC liaison. Continuing whole school PE events. Ongoing inclusion and participation of “less active children” in after school clubs. Ongoing moderation in award schemes ensuring continuity and progression. Whole school use of Children’s health project scheme of work. The increase of confidence, knowledge and skills for all staff to ensure continuity of high-quality PE provision.

Swimming extension sessions for children who have already reached the minimum curriculum requirements or top up sessions for those who have not, after set curriculum lessons. (1,4) (£1350)	Children in KS2 being encouraged to further develop their swimming skills past 25metres. This includes self-rescue and water skills advanced levels.	In school planning to continue to commit to external swimming sessions for children who have achieved/not achieved minimum curriculum requirement.
Transport - swimming extension sessions, active outdoor learning (whole school) and sports competitions/festivals (1,2,4,5) (£1600)	An increase in opportunities and activities for all children. To raise participation. Festivals for both key stages.	The school's intention to continue to invest in transportation to sporting events/activities etc.
Membership of Association of PE (AfPE) (3) (£62)	Ensuring best practice support, Continuing Professional Development and Health and Safety advice. Required subscription.	Statutory requirement to support safe practice.
School Games service level agreement with local secondary school The Ramsey Academy (2,3,4,5) (£750)	Working with other CVC and secondary schools to provide new events and co-ordinate competition at Level 1/2. Enables children to participate in festivals as well as competition. Ability to try new sports e.g. New Age Kurling and Boccia inclusive for PPG and SEND children. Opportunities for KS1 sporting festivals. CPD opportunities for all staff.	A high level of satisfaction in the scheme. Continues to increase participation in competitive sport. Culminates in the very popular annual multi school competition. Inclusive. Early introduction to new sports/activities to build confidence. Staff are constantly upskilled in new areas.
Equipment provision and replacement. (1,2) (£500)	The correct equipment being available to encourage the children's participation and to increase activity levels during recreation times and extra-curricular clubs.	Commitment by school to ensure good quality equipment is always available.
External visitors and workshops Rubicon Scooter and Skateboard Workshop (1) (£250)	To provide new and exciting experiences for whole school participation to increase pupil activity levels.	Increased activity for pupils in and out of school (travel to school).
Installation of Daily Mile track (major plan over academic year 17/18 – 18/19) Payment over two academic years (1,2)	This sporting initiative is being adopted by schools nationwide to improve the physical, emotional and social health and well-being of their children.	Use of the track daily (time-tabled for each class) will allow children of all circumstances, age and ability the opportunity to be involved in a fun daily exercise working towards ensuring every child is active for 30 minutes every day. There are proven benefits both physically and mentally.
