Archie S's Science Work – Jupiter Class

Ruby's Bean Plant- started from a seed in class! – Earth Class

We are so pleased with the effort you are putting into your work! Keep on going, we can see how far you've come!

Year 6 Leavers

Socially-distant Picnic

We have invited our Y6 children to come back to school this Friday for a socially-distanced picnic on the school field. We are really looking forward to seeing them all again and hope this will give them a chance to say a proper goodbye.

We have our fingers crossed for nice weather as we will be outdoors come rain or shine.

We will be very sad to see our Y6 children leave, especially in the current circumstances, but we will send them on with all our best wishes for their futures.

Contact Details - Reminder

Here is another reminder of our e-mail addresses.

We are expecting a full attendance of our pupils in September. If you have any questions or queries please do contact us.

Mrs Jones/ Ms Miller (School Office)
admin@ridgewell.essex.sch.uk

Mrs Stuart (Head of School)
kirsty.stuart@ridgewell.essex.sch.uk

Mrs Lowe (SENCo & Pastoral Support)
theresa.lowe@ridgewell.essex.sch.uk

Mrs Sarti (Executive Headteacher)
headteacher@colneengaine.essex.sch.uk

Awards and Presentations

Although we are not able to hold our usual end of year service in the Church, we'd still like to recognise and celebrate achievements this year. We will be deciding who to give this year's awards to and will share this with you all towards the end of next week. We will find a way for the awards and certificates to make their way to the children.

Zoom Meetings – Check ins

These meetings have been organised for all of our children who haven't been into school since March. The teachers are really enjoying seeing and speaking to the children. Please get in touch if you are having any trouble with this.

Recovery Curriculum

It is great news for us all to hear that the government are making plans for all children to have a full return to school in September. This is what we all want – and we expect further information and guidance about implementing this to continue over the coming weeks.

We know that Government guidance may change before September, or even once we have returned to school, as no-one can predict what will happen with the journey of this virus – but we are making contingency plans in order to manage this as smoothly as possible.

At the moment we are developing our 'Recovery Curriculum' to ensure we look after our children's well-being and learning on our return to school. We are confident that we can respond to various needs and pick up the learning journey at the appropriate place for every child.

Once again, we thank you for your support and patience. We just can't wait to have our children back in school, safe, happy and learning together.

Your Best

If you always try your best
Then you'll never have to wonder
About what you could have done
If you'd summoned all your thunder.

And if your best
Was not as good
As you hoped it would be,

You still could say,
"I gave today
All that I had in me."

~ Barbara Vance
