

Laying Foundations for Life-long Learning! Ridgewell C of E Primary School Newsletter

7th May 2020

HOME LEARNING

We are all very impressed with the work you've been completing at home and sharing through Seesaw. There seems to be so many individual ways to complete some of the tasks which the teachers have set. Keep trying your best – that's all anyone can ask.

Thought for the week:

We'll meet again, don't know where, don't know when, but I know we'll meet again some sunny day. Keep smiling through, just like you always do, 'til the blue skies drive the dark clouds far away.

Great Baking!

Delicious creations

There has been a definite baking theme this week across Seesaw!

Mrs Andrews added two delicious recipes to Mars class's journal this week, which have been taken up with lots of enthusiasm. Some children even dressed up for the occasion of baking!

Some children in other classes have also been sharing their creations! We hope you all enjoyed baking and eating as much as we enjoyed seeing your pictures!

Contact Details - Reminder

We are doing our best to keep in touch and up-to-date with you all. Thank you for the brilliant uploads on Seesaw and lovely e-mails or phone calls! It is always a pleasure to say hello to the children.

Here is a reminder of our e-mail addresses. We regularly check our inboxes during normal school hours.

VE Day Bank Holiday

We hope that you all enjoy the extra time to relax together over the weekend! Teachers will not be posting work on Seesaw on Friday.

Enjoy the community spirit from a safe distance!

Internet Safety Activities

Teachers will be sharing resources to help you with information about keeping safe online. Please take time to go through these with your children as they are likely to be spending more time than usual online at the moment.

Reception Class Reports

Miss Moss has brought the writing of reports for Earth class forward and they should be in the post to you very soon.

Animal Corner

It has been lovely to see your super pets making an appearance onto the learning platform! During video clips we've seen cats, dogs, rabbits and even a budgie joining in with the children's work. In Saturn class, there has been a regular update of the progress of a nest of birds nearby. The last I saw, they were all hatched and seemed to be doing really well.

A special mention has to go to Patrick the Peacock who keeps making a regular appearance in a back garden! He is looking very patriotic with the Union Jack nearby – ready for VE day!
