HAPPY EASTER

A lovely busy end to term!

This term has flown by so quickly and we are now ready for some spring sunshine! Every class in school has been busily finishing and rounding up their spring units of work and I have really enjoyed visiting every class to see all of the children's hard work.

Saturn Class made some spectacular Anderson Shelters and visited the Ridgewell Airfield Museum. Jupiter finished their Monarch topic by making a model of a palace and KS1 smelled delicious as the children in Mars all made hot cross buns!

Maureen came to deliver our first Messy Church in the school hall on Wednesday which was really well attended and had lots of Easter themed and some very 'messy' activities. Our Easter service was able to take place in the church for the first time in four years! The children all really enjoyed practicing their songs and class contributions for this service.

Once again, I must thank the amazing team at Ridgewell for all of their hard work in creating another memorable term of learning for our children. We wish you all a very happy Easter holiday and look forward to seeing you again on Monday 17th April.

Community Seed Bank

New feature outside gate

Thank you to the Ridgewell Gardening Society who have created this wonderful seed bank for the whole community.

It was attached to our school railings this week by John and Paul from the society in a prominent place. It is there for anyone to use to share seeds and we are sure that it will be well used by all.

FORS (Friends of Ridgewell) Easter Competition and Raffle

Well done to all those who won prizes in the FORS Easter raffle. The children really enjoyed the star assembly during which we held the raffle. There were more eggs given out to the four competition winners who entered the picture and poetry competition. Well done to Effie, Dexter, Bradley and Joe!

Looking forward to...

- Monday 17th April – Children return to school
- Tuesday 18th April – 2pm Next FORS meeting in school
